Physicians in the Treatment of  
Chronic Diseases

Offer Their Services  
Free of Charge

The United Doctors, licensed by the state of Iowa for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of medicine. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality that at last treatments have been discovered that are absolutely sure and certain in their effect.

These doctors are considered among America's leading stomach and nerve specialists and experts in the treatment of all chronic diseases and so great and wonderful have been their cures that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physician, should not fail to call.

Many Wonderful Cures.  
According to their system no more operations for appendicitis, gall stones, tumors, goiter or cancer. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment and cure of these dangerous diseases.

If you have kidney or bladder troubles bring a two ounce bottle of your urine for chemical analysis and microscopic examination.

Deafness often cured in sixty days. No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, if you want to get well again, it will be to your advantage to see them. Go at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may prolong your life. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit this time costs you nothing and may save your life.

Mr. Burns proved a most charming entertainer, both in humor and pathos. The next number will be the X-ray Concert company, Saturday of this week.

The Nevin Concert Company is presented to the layman public as one of great versatility and pleasing powers. Mr. Wm. E. Hallman of Milwaukee, a well-known flute and piccolo soloist, is presented besides these accomplishments of a very pleasing baritone voice and proves a veritable host when it comes to providing excellent program material. Miss Edna Reynolds has a beautiful soprano voice, full of that synthetic quality which reaches everyone and wins them. Miss Reynolds is also very artistic accompanist. Miss Vida Nation, the violinist, presents her work with brilliant tone and technique, and yet has a repertoire of sufficient variety to reach all fancies. The company is made more pleasing by the addition of a reader who is a real entertainer; Miss Pearl Walters makes her hearers one with her in the selections she presents and leaves all happy. Funeral services were held Sunday afternoon at 2 o'clock over the remains of Alma Jackson, the Omaha ex-councilman and former live stock commission man, who died during the week at Sacramento, Cal., where he had gone for his health. After the services the body was taken to Mr. Jackson's old home at Van Wert, Ia., where he had expressed a wish to be buried. Members of the family accompanied the funeral party. The Rev. E. B. A rousing big meeting of the patrons of school districts No. 1, 2, 13 and 13 was held in the Ayres hall Wednesday evening, when the subject of consolidation of the four districts was discussed pretty thoroughly. It seemed to be the general opinion of all present that consolidation would be the proper thing. Meetings were called for the three rural districts to be held in their respective school houses Saturday evening of this week, when petitions will be circulated for signers, to decide whether or not each district will consent to consolidation. It is a movement in the right direction to get a school, such as the community needs and should have.

ALEXANDER MILROY NIXON.

Whose death occurred at his home one mile south of Homer, Neb., Sunday morning, February 5, 1911. His death resulted from an injury sustained while loading wood onto a wagon the Friday previous. Death resulted after an operation had been performed to relieve him of his intense suffering from a rupture of the bladder. The high esteem in which he was held by everyone with whom he came in contact is self evident that Homer, Dakota county and northeastern Nebraska has lost one of her best citizens. He was known as a man of his word and never shirked his duty or obligation. He came from that staunch Highland stock which believes that "right is right and wrongs no man." He leaves his family in comfortable circumstances from a financial standpoint, but the wound caused by his absence from the family circle can never be healed. He leaves a wife and four children, besides one brother, John L. Nixon and two sisters, Miss Elizabeth Nixon who has made her home with him for several years and Mrs. Jane Waite of Lyons. The deceased was a member of the Odd Fellow and Elks, besides carrying fraternal insurance in the A. O. U. W., M. W. A., W. O. W., Yeoman, Fraternal Union. He also carried heavy insurance in two old line companies. The deceased has spent the greater part of his life in Dakota county, coming here with his father in 1867. He was born in Ballantyne, Scotland, July 12, 1859, and was 52 years, 6 months and 23 days old.

The funeral services were conducted from the home Tuesday afternoon by Rev. J. L. Hammond, and the remains laid to rest in the Omaha cemetery. The floral tokens were elaborate and the one hundred carriages containing the large concourse of sympathizing relatives, friends and neighbors, paid the last earthly tribute to one of God's noblemen.

### Farmers Hold Meeting.

The annual session of Farmers' Institute held here Friday and Saturday of last week in the Ayres Krumwiede hall was a successful and instructive meeting in every particular. The program as announced was carried out in full, and many of the subjects were handled in a manner that developed interest and enthusiasm.

The sessions were all fairly well attended, especially those of the second day, when the seating capacity of the hall was taxed to standing room only. The exhibits were especially fine, and showed an unusual amount of care in their selection.

The meeting was called to order by the president, Mrs. A. J. Kramer, who gave a review of the work undertaken by the club during the year. Six meetings have been held with good attendance at each and a variety of subjects discussed. Fifty members were enrolled during the year and an invitation was extended to all to join and aid in the work.

Miss Nellie Maxwell, state lecturer, of Neenah, Wisconsin, was then introduced. The first part of her lecture was devoted to an explanation of methods of breadmaking, buttermaking and cake-making and reasons for judging and awarding the premiums. She complimented the women and girls upon the excellent quality of the exhibits of bread, butter, cake and pies.

Her subject for the afternoon was "New Methods of Cooking and Serving Fruit and Vegetables." She stated there were 300 different ways of cooking potatoes and gave several new ways of cooking and serving them. She explained the medical properties of the onion as food, suggested some new ways of serving them and also gave some advice as to the best time to eat them. She urged the housekeepers to study greater variety in cooking and serving vegetables. Being a pleasing speaker and very earnest, she held the attention of her audience for over an hour and her lecture was well enjoyed.

"Overland Journey Thru Yellowstone Park" was the subject of a very interesting and well written paper by Miss Helen Sides, in which she described in detail a trip through this picturesque country and the many wonders of nature.

A humorous Swede dialect selection, "Ole Olson's Mishap," was recited by Mrs. Cora Miller, and well enjoyed. For select reading "The Tragedy of Trifles" was given by Mrs. Elmer Blessing. The article was well chosen and contained practical suggestions for improving many homes.

Mrs. S. A. Mason read a very interesting paper, "Noted Women of Spain, Norway, Sweden and Holland." She contrasted the habits and mode of living of the women of the different countries and gave a life sketch of some of the most noted women of each. Musical selections added to the enjoyment of the afternoon. Miss M. Edna Balus sang a solo entitled "Mother Mages" and Mrs. Paul Fitzzy sang "If I Were a Rose," by Mr. and Mrs. Heiseberg. Both were enjoyed. A vocal duet, "Beautiful home," sang by Mrs. Mel A. Schmidt and Miss Elizabeth Haase, with Mel A. Schmidt as accompanist, closed the program for the afternoon.

Owing to the lateness of the meeting the election of officers was postponed until the next regular meeting. Those attending from neighboring towns were Meedames H. J. Rooney, T. P. Monahan, W. H.
